### MCC tips:

- Limit your searches to just the *Holiday Advertising Service* by checking the appropriate boxes under the *MCC Filters*. You can also search only for black-and-white (or color) images or ads.
- You can always get specific with words like *reindeer*, *wreath*, *Santa*, *elf*, *angel*, etc., when searching for images or ads. Click *Exact Match* to perform multiple word searches.
- You can also use the keyword field to search by the ad filename that appears in the *SearchBook*.
- Clicking any *SearchBook* page will bring you directly to that content in MCC.
- Type *traditional*, *contemporary* (or *modern*) as a keyword to narrow the search for ad and art styles.
- *Religious* can be used as a keyword, or more specific, *Nativity*, *three kings* (*Exact Match*), *angel*, *manger*, etc.
- Use the *Ad Size* and *Ad Type* pulldown menus to get specific sizes and types of ads.
- *QuarkXPress*® or *InDesign*® layout formats are available for each ad.
- For further reference check out *Holiday Advertising Service* video tutorials found under the *Support* menu.

Ad example from the 2021 *Holiday Advertising Service*

### MiAD Wizard tips:

- You can use the *Wizard* keyword field to search by the ad filename that appears in the *SearchBook*.
- Since many *Holiday Service* ads are designed to be adopted by a variety of advertisers, you can use the keyword *sponsor* with specific words. For example, type the keywords *Christmas*, *sponsor*, *wreath* and click the *Exact Match* button to see those specific *Holiday Service* ads.
- You can upload, size and place advertiser logos directly in the *Wizard* screen.
- You can make presentations with multiple personalized ad choices to show options to your prospects.
- You can download a high-resolution PDF.
