File Transformations for Images, Templates

Options to Crop, Scale, Stretch, Mirror, Convert to Black & White

New User Interface Preferences

Added "small" thumbnail preview size

Pets Images (2,932 results)

☑ Rollover Preview — Show larger preview when hovering over a thumbnail

☑ Hide auto-suggest — Hide suggestions when typing keywords

+ pet
- pet
- pet accessories
- pet adoption
- pet adoption directory
- pet adoption fair

☑ Checkered Background — Show checkered background to indicate images with transparent backgrounds

☑ Freeze Search Bar — when selected, it keeps the Shortcut Menus, SearchBar & Preferences visible and always accessible at the top of the screen as you scroll through your results

Larger, Clearer Thumbnails & Previews

Thumbnails are now 576 (up from 200) • Previews are now 1152 (up from 512)
