Shop Local

3 WAYS Supporting Local Businesses Returns Money to Our Community:

- 1 DIRECT**
Local businesses pay into the local economy through inventory, utilities, equipment and employee wages.
- 2 INDIRECT**
These dollars spent by local businesses at local businesses continue to recirculate in the community.
- 3 INDUCED**
More consumer spending occurs as employees, business owners and others spend resulting income locally.

Shop local this holiday season for gifts that keep on giving back to our community and economy!

\$68
of every \$100
spent at local
stores stays
in the local
economy

289% More Revenue
is retained for the local economy by local retailers than by chain stores

136% More Charitable Donations

Effective and efficient searches are the key to maximizing your time. Try these power user tips to quickly locate and download the content you want.

MCC tips:

- **Limit your searches to just the Holiday Advertising Service** by selecting it under the MCC SERVICE filter. You can also search only for black-and-white (or color) images or ads using your filters.
- You can always get specific with words like *reindeer, wreath, Santa, elf, angel, etc.*, when

searching for images or ads. **Click Exact Match to perform multiple word searches.**

- **Clicking any SearchBook page will bring you directly to that content in MCC.**
- **Religious can be used as a keyword**, or more specific, *Nativity, three kings (Exact Match), angel, manger, etc.*

- **Use the Ad Size and Ad Type filter menus** to get specific sizes and types of ads.

- **QuarkXPress® or InDesign® layout formats are available for each ad.**

- For further reference **check out Holiday Advertising Service video tutorials** found under the Support menu.

MiAD Wizard tips:

- Since many *Holiday Service* ads are designed to be adopted by a variety of advertisers, **you can use the keyword sponsor with specific words.** For example, type the keywords *Christmas, sponsor, wreath* and click the *Exact Match* button to see those specific *Holiday Service* ads.

- **You can upload, size and place advertiser logos** directly in the *Wizard* screen.
- **You can make presentations with multiple personalized ad choices** to show options to your prospects.
- You can **download a high-resolution PDF.**
